PURCHASE TERMS AND CONDITIONS

Ordering Information

Orders are processed and shipped Monday through Friday (some shipping exceptions apply). We do not process orders on Saturdays, Sundays or Holidays. Orders may be placed through a wholesaler or directly with SteriMax Customer Service.

Controlled Drug Ordering

Controlled drugs should be ordered through your preferred wholesaler only.

Dangerous Goods Ordering

Cytotoxic and flammable goods must be on a separate Purchase Order than all other products.

Back Orders

All back orders will be cancelled 60 days from date of order if product remains unavailable for shipping at that time.

Remittance Address

For orders placed directly with SteriMax:
SteriMax Inc.
2770 Portland Drive
Oakville, Ontario
L6H 6R4

Prices and Quotations

Prices are subject to change without notice.

Note: All prices are exclusive of GST, HST and PST.

Payment

For Purchasers with pre-approved SteriMax. Credit, terms of payment are Net 30 days.

Minimum Order Policy

All orders less than $400.00 placed directly with SteriMax are subject to a $25.00 handling fee.

RETURNED GOODS POLICY

Credit and Returned Goods Policy

No credit exists until a credit note is issued by SteriMax Inc. and no deduction, offset, or adjustment to any invoice may be made by the customer except on the basis of a credit note.

Expired Product Returns

All indirect customers must send eligible product for return to their original point of purchase.

Expired product returns are to be sent to Inmar and will not be accepted at SteriMax. Any products sent to Inmar that have not expired will not be credited. All expired shipments returned must be accompanied by a unique identifier (debit number, reference/claim number, etc.) along with an Inmar reference number (www.returns.org).

Expired product must be returned within twelve (12) months after expiration date in full, undamaged, unopened original SteriMax packaging with the same lot number.

A credit note or replacement order will be issued for eligible expired product.

Non-Acceptable Returns:

- Broken, marked or damaged due to negligence or improper storage.
- Partial products (product must be returned in full, original, unopened SteriMax packaging).
- Product involved in an insurance claim (including, but not limited to fire, water, or smoke)
- Product which has been purchased from a bankruptcy sale or going out of business sale.
- Product which has been repackaged, or reconstituted.
- SteriMax will not accept returns for the following products:
  - Fomepizole for Injection
  - Acetazolamide for Injection USP

Hospital Contract Returns:

Products purchased on hospital contract will be credited at the contract price.

Narcotic and Controlled Drug Returns:

Narcotic and controlled drugs must have written approval by an Inmar QPIC before returning the goods; request authorizations must be submitted on www.returns.org (registration is required). Chain of Signature is required for all narcotic and controlled drug return shipments.

In the case that Inmar has identified that the expired product is ineligible for credit, the customer will have 30 days to dispute the decision from the date that they are notified.

RETURNED GOODS POLICY

Non-Expired Product Returns

Before any product is returned to SteriMax a Returned Goods Authorization (RGA) number must be obtained from the Customer Service department.

To obtain a Returned Goods Authorization (RGA) number, please contact SteriMax Customer Service via one of the methods below:

By phone at 1-800-881-3550

By fax at 905-890-0508

By email at customerservice@sterimaxinc.com

All Returned Product(s) must be returned in full, original SteriMax packaging (including the product insert).

We reserve the right to inspect all returns before issuing a credit. We have the right to destroy product which is returned outside the policy or which is considered unfit or unsafe for use.

GOODS RETURNED WITHOUT STERIMAX AUTHORIZATION WILL NOT BE CREDITED.

Credit allowance for authorized returns submitted will be issued under the following circumstances:

Acceptable Returns:

Product may be eligible for credit under the following conditions:

- Customer ordering errors: immediately contact the SteriMax customer service department to report any customer ordering errors. Period/temperature and storage documentation must be included with the return.
- Shipping errors: report shipping errors to SteriMax Customer Service within 5 business days of receipt.
- Damaged Products (due to shipping): please take photos and contact SteriMax Customer Service within 5 business days of receipt. Any visible damage should be noted on the delivery document upon receipt of the order. Do not refuse the shipment, as this will void SteriMax's right to claim reimbursement for damages. Refused shipments due to damage will not be credited.
- Damaged Products: Product must be returned in full, original SteriMax packaging inclusive of the damaged portion of the product. Partial packages will not be accepted. Broken vials must be returned in a sealed plastic bag.
- Expired Goods: See expired product returns section.
  All expired goods returns should go to Inmar.
